Information Circular – Proxy Statement – May 9, 2014

For the Annual and Special Meeting
of Shareholders of Mongolia Growth Group Ltd. to be held on June 12, 2014

Solicitation of Proxies

This Information Circular is furnished by the management of Mongolia Growth Group Ltd. (the "**Corporation**") to the holders (the "**Shareholders**") of common shares ("**Common Shares**") of the Corporation in connection with the solicitation of proxies to be voted at the annual general and special meeting of the Shareholders (the "**Meeting**") to be held at the King Edward Hotel, 37 King St E, Toronto, Ontario, on June 12, 2014 at 6:00 p.m. (Eastern time) and at any adjournment thereof for the purposes set forth in the notice of meeting enclosed with this Information Circular (the "**Notice of Meeting**"). Only Shareholders of the Corporation of record on May 9, 2014, are entitled to notice of, to attend, and to vote at the Meeting, unless a Shareholder has transferred any shares subsequent to that date and the transferee shareholder, not later than 10 days before the Meeting, establishes ownership of the shares and demands that the transferee's name be included on the list of Shareholders.

The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

The enclosed form of proxy (the "**Proxy Form**") is solicited by the management of the Corporation. The persons named in the enclosed Proxy Form are directors and/or officers of the Corporation (the "**management designees**"). **As a Shareholder submitting a proxy you have the right to appoint a person (who need not be a Shareholder) to represent you at the Meeting other than the person or persons designated in the Instrument of Proxy furnished by the Corporation. To exercise this right you should insert the name of the desired representative in the blank space provided in the Instrument of Proxy and strike out the other names or submit another appropriate proxy.** In order to be effective, the proxy must be mailed so as to be deposited at the office of the Corporation's transfer agent, Olympia Trust Company ("**Olympia**"), Proxy Department, 2300, 125 – 9th Avenue S.E., Calgary, Alberta, T2G 0P6, not later than 12:00 p.m. (Calgary time) on the second last business day preceding the date of the Meeting or any adjournment thereof. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date of its execution.

Advice to Beneficial Holders

The information set forth in this section is of significant importance to many Shareholders of the Corporation as some Shareholders do not hold their Common Shares in their own names ("Beneficial Shareholders**").** Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Beneficial Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Corporation does not know for whose benefit the Common Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the Common Shares in person or by way of proxy except as set forth below. Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in

order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker often is identical to the Proxy Form provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting request form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting request forms or proxy forms to Broadridge. Alternatively, Beneficial Shareholders sometimes are provided with a toll-free telephone number to vote their shares. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting of shareholders. A Beneficial Shareholder receiving a voting instruction or proxy from Broadridge or another agent cannot use that proxy to vote Common Shares directly at the Meeting as the completed instruction or proxy must be returned as directed by Broadridge or another agent well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank spaces on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

If you are a Beneficial Shareholder and wish to vote in person at the Meeting, please contact your Broker or Agent well in advance of the Meeting to determine how you can do so.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered Shareholder or the registered Shareholder's authorized attorney in writing, or, if the registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Olympia Trust Company, at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Persons Making the Solicitation

This solicitation is made on behalf of management of the Corporation. The Corporation will bear the costs incurred in the preparation and mailing of the Proxy Form, Notice of Meeting and this Information Circular. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by directors, officers and employees of the Corporation who will not be remunerated therefor. The Corporation will not be providing the Notice of Meeting, Information Circular, or the Proxy Form to registered Shareholders or Beneficial Shareholders through the use of notice-and-access, as such term is defined in National Instrument 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer.

Exercise of Discretion by Proxy

The persons named in the Proxy Form will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any

matter to be acted upon, your Common Shares will be voted accordingly. The Proxy Form confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy Form, the persons named in the Proxy Form will vote the Common Shares represented by the Proxy Form for the approval of such matter.

At the time of printing of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Proxy Form to vote the Common Shares represented thereby in accordance with their best judgment on such matters.

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by completing, dating and signing the enclosed Proxy Form and returning it to the Corporation's transfer agent, Olympia Trust Company, by fax at 1-403-265-1455, or by mail or by hand to c/o Proxy Department.

The proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the board of directors of the Corporation at its discretion without notice.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares, without nominal or par value. As of May 9, 2014, there were 34,618,352 Common Shares of the Corporation issued and outstanding. The board of directors has fixed May 9, 2014 as the record date (the "**Record Date**") for the determination of Shareholders entitled to notice of and to vote at the Meeting, and at any adjournment thereof, except to the extent that such holder transfers ownership of the Common Shares after the Record Date, in which case the transferee shall be entitled to vote such Common Shares upon establishing ownership and requesting not later than 10 days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting. Each Shareholder is entitled to one (1) vote in person or by proxy for each Common Share held on all matters to come before the Meeting.

To the best of the knowledge of the Corporation's directors and officers, other than Harris Kupperman, the Corporation's Executive Chairman, no person beneficially owns directly or indirectly, or exercise control or direction over, 10% or more of the votes attached to the Common Shares. Harris Kupperman beneficially owns 5,155,000 Common Shares or 14.9% of the issued and outstanding Common Shares of the Corporation.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE ANNUAL AND SPECIAL MEETING

A simple majority of affirmative votes cast at the Meeting by the Shareholders of the Corporation is required to pass the resolutions fixing the number of directors to be elected at the Meeting, electing directors, appointing the new auditor and re-approving the Corporation's share option plan and reapproving the Corporation's restricted stock award plan. If there are more nominees for election as directors or appointment of the Corporation's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

QUORUM

Under the Corporation's by-laws, a quorum for the transaction of business at any meeting of shareholders shall be at least two persons present in person or represented by proxy holding or representing not less than 5% of the Common Shares entitled to be voted at the meeting. Under the Corporation's by-laws and the *Business Corporations Act* (Alberta) ("**ABCA**"), if a quorum is present at the opening of the Meeting, the Shareholders present may proceed with the business of the Meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, the Shareholders present may adjourn the Meeting to a fixed time and place but may not transact any other business.

FINANCIAL STATEMENTS

The Corporation's annual report and audited financial statements for the year ended December 31, 2013 (the "**2013 Financial Statements**") have been forwarded to Shareholders together with the Information Circular. No formal action will be taken at the Meeting to approve the financials, with the requirements of the ABCA having been met with the advance circulation of the 2013 Financial Statements. If Shareholders have questions respecting the financial statements, the questions will be addressed during the "Other Business" portion of the Meeting

PARTICULARS OF THE MATTERS TO BE ACTED UPON AT THE MEETING

Election of Directors

Directors will be elected at the Meeting. The Corporation's board of directors (the "**Board**") presently consists of seven (7) members. It is proposed that the Board will be fixed at seven (7) members and the persons referred to in the table below will be nominated at the Meeting. Each director elected will hold office until the next annual meeting of Shareholders, or until his/her successor is duly elected or appointed, unless his office is vacated earlier.

It is the intention of the management designees, if named as proxy, to vote "FOR" the election of the following persons to the Board unless otherwise directed. Management does not contemplate that any of the nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees does not stand for election or is unable to serve as such, **the management designees, if named as proxy, reserve the right to vote for any other nominee in their sole discretion unless you have specified in your proxy that your Common Shares are to be withheld from voting on the election of that particular director.**

The following is a brief description of the proposed nominees, including their principal occupation for the past five (5) years, all positions and offices with the Corporation held by them and the number of Common Shares that they have advised are beneficially owned, directly or indirectly, by them or over which control or direction is exercised by them, as at the Record Date.

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the company access to any exemptions under securities legislation, and that was in effect for a period of more than 30 consecutive days, while such person was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the company access to any exemptions under securities legislation, and that was in effect for a period of more than 30 consecutive days, that was issued after that individual ceased to be a director or chief executive officer or chief financial officer and which resulted from an event that occurred while such person was acting in a capacity as a director, chief executive officer or chief financial officer.

No director or proposed director of the Corporation is, or has been within the ten years prior to the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while such person was acting in that capacity or within a year of that individual ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Individual Bankruptcies

No director or proposed director of the Corporation is or has, within the ten years prior to the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

No director or proposed director of the Corporation has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Majority Voting for Directors

The Board has adopted a policy (the "**Majority Voting Policy**") that will permit a Shareholder to vote for, or withhold from voting for, each director nominee separately. If a director nominee has more votes withheld than are voted in favour of him, such nominee will be expected to forthwith submit his resignation to the Board, effective on acceptance by the Board. The Board will review the resignation and will consider all factors deemed relevant, including, without limitation, the stated reason or reasons why Shareholders who cast "withhold" votes for the director did so, the qualifications of the director, including, without limitation, the impact the director's resignation would have on the Corporation, and whether the director's resignation from the Board would be in the best interest of the Corporation and the Shareholders. Within 90 days of receiving the final voting results, the Board will issue a press release announcing the resignation of the director or explaining the reasons justifying its decision not to accept the resignation. The Majority Voting Policy does not apply in circumstances involving contested director elections. The full text of the Majority Voting Policy is attached hereto as Schedule "A".

Fixing the Number of Directors

The Articles of the Corporation provide that the number of directors of the Corporation will be a minimum of one (1) and a maximum of eleven (11). At the Meeting, the management of the Corporation proposes to elect seven (7) directors. Shareholders will be asked to consider and, if deemed advisable, to pass the following ordinary resolution:

"BE IT RESOLVED THAT the number of directors to be elected at the Meeting for the ensuing year or otherwise as authorized by the shareholders of the Corporation be and is hereby fixed at seven (7)."

Unless otherwise directed, the management designees named in the accompanying Proxy Form intend to vote such proxies in favour of a resolution fixing the number of directors to be elected at the Meeting at seven (7).

Appointment of Auditors

At the Meeting, Shareholders will be asked to vote in favour of the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, Richardson Building, 1 Lombard Place, Suite 2300, Winnipeg, Manitoba, as auditors of the Corporation, to hold office until the next annual general meeting of Shareholders, or until its successors are elected or appointed and to authorize the directors to fix their remuneration as such.

The Shareholders will be asked to consider, and if deemed advisable, to re-approve the restricted stock award plan of the Corporation (the "**RSA Plan**") attached as Schedule "B" to this Information Circular. The Shareholders will be asked at the Meeting to approve a resolution accepting proposed RSA Plan.

The RSA Plan was approved by the shareholders of the Corporation on June 7, 2013. The RSA Plan is intended to

provide the Board with the ability to issue restricted stock awards ("**RSAs**") to provide the employees, officers, directors and consultants of the Corporation with long-term equity-based performance incentives which are a key component of the Corporation's compensation strategy. The Corporation believes it is important to align the interests of management, employees and consultants with shareholder interests and to link performance compensation to enhancement of shareholder value. This is accomplished through the use of RSAs whose value over time is dependent on market value.

The aggregate number of Common Shares issuable pursuant to the RSA Plan shall not exceed 200,000 Common Shares and will be subject to the aggregate limits set forth under the Option Plan, such that unvested Common Shares under the RSA Plan will be considered "Common Shares reserved for issuance" under the Share Option Plan.

The Shareholders will be asked to consider and, if deemed advisable, to pass the following ordinary resolution approving the RSA Plan:

"BE IT RESOLVED THAT:

1. the RSA plan of the Corporation, substantially in the form attached as Schedule "B" to the management information circular of the Corporation dated May 9, 2014, be and is hereby approved and adopted as the RSA plan of the Corporation;
2. the form of the RSA plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the Shareholders of the Corporation; and
3. any one director or officer of the Corporation be and is hereby authorized and directed for and on behalf of the Corporation to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the foregoing resolutions."

The Shareholders will be asked at the Meeting to approve a resolution reapproving the Option Plan.

The Option Plan was approved by the Board on March 9, 2011 and was approved by the shareholders of the Corporation on April 14, 2012. The Corporation believes it is important to align the interests of management, employees and consultants with shareholder interests and to link performance compensation to enhancement of shareholder value. 2. the form of the share option plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the Shareholders of the Corporation; and

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Committee

The Board has formed the Corporation's compensation committee (the "**Compensation Committee**") responsible for reviewing the overall compensation strategy, objectives and policies; annually reviewing and assessing the performance of the executive officers; recommending to the Board the compensation of the executive officers; reviewing executive appointments; and recommending the adequacy and form of directors' compensation. The Compensation Committee has a combined experience of 22 years on Compensation Committees for 5 different companies.

All members of the Compensation Committee have the skills and experience to fulfill their responsibilities and to make decisions on the suitability of the Corporation's compensation policies and practices. They have developed skills and experience in making executive compensation decisions through serving on the boards of directors of public companies, serving on compensation committees of those boards of directors, advising on and drafting long-term incentive plans and working with compensation consultants and advisors in designing and implementing compensation programs for executive officers of public companies

This Committee meets at least once annually. The members of the Compensation Committee are Paul Sweeney and William Fleckenstein, both of whom are independent. These Directors have the responsibility for determining compensation for the directors and senior management.

Named Executive Officer Compensation

Executive compensation is based upon the need to provide a compensation package that will allow the Corporation to attract and retain qualified and experienced executives, balanced with a pay-for performance philosophy. NEOs receive a mixture of fixed and variable pay and a blend of short and long term incentives as appropriate. The Board anticipates any additional executive compensation will likely be comprised of a base salary based on the executive officer's core competencies, skills, experience and contribution to the Corporation, an incentive based cash bonus plan based on both individual and corporate performance and long-term ownership through granting of stock options.

Due to the growth profile of the Corporation, an NEO's base salary does not always reflect the level of commitment

and effort that he or she is required to provide to ensure the continued success and growth of the Corporation. The award of short-term incentives and options ensures that the total compensation package awarded to NEOs matches the stage of development of the Corporation at a given point in time. The grant of options is designed to recognize and reward the efforts of NEOs as well as to provide additional incentive. These grants may be subject to the successful completion of performance hurdles. NEOs are prohibited from entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements.

The Compensation Committee is responsible for reviewing remuneration arrangements and recommending them to the Board. The Compensation Committee assesses the appropriateness of the nature and amount of remuneration of NEOs on a periodic basis, by reference to relevant employment market conditions, with the overall objective of ensuring maximum shareholder benefit from the retention of a high quality, high performing director and executive team. The charter adopted by the Compensation Committee aims to align rewards with achievement of strategic objectives.

Base Pay

NEOs are offered a competitive level of base pay at market rates (for companies of similar size and industry) which is reviewed annually to ensure market competitiveness. This base pay comprises the fixed component of their pay and rewards. There is no guaranteed base pay increase included in any of the NEOs' contracts.

Short Term Incentives

The Board retains the discretion to pay short term incentives to NEOs based on the recommendation of the Compensation Committee. Any payment of short term incentives is dependent on the achievement of key performance milestones as determined by the Board. These milestones include key strategic, non-financial measures linked to drivers of performance in future reporting periods. Short term incentive payments may also be made at the discretion of the Board to reward an NEO's participation in ad-hoc projects or activities.

The Compensation Committee has the discretion to adjust short-term incentive payments based on an NEO's achievement of performance milestones. For the year ended December 31, 2013, the Board has not exercised its discretion to pay short term incentives.

Share-Based and Option Based Awards

Option Plan

The Corporation's Option Plan is intended to provide executive officers and directors with long-term equity-based performance incentives. The Option Plan is intended to provide share purchase options to align the interests of management with shareholder interests and to link performance compensation to enhancement of shareholder value. Options will be granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the long-term operating performance of the Corporation. In determining the number of options to be granted to executive officers, the Board will take into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure such grants are in accordance with the TSX Venture Exchange policies and closely align the interests of the executive officers with the interests of the shareholders. The Corporation's Option Plan authorizes the issuance of stock options entitling the holders to acquire, in the aggregate, up to 10% of its Common Shares from time to time.

RSA Plan

The RSA Plan is intended to provide RSAs to retain and attract employees, directors and consultants, to promote a proprietary interest by employees, directors and consultants in the Corporation and to focus management of the Corporation on the operating and financial performance of the Corporation and total long-term shareholder value. In determining the number of RSAs to be granted to employees, directors and consultants, the Board will take into account the number and exercise price of options and the number of RSAs, if any, previously granted to each employee, director or consultant to ensure such grants are in accordance with the TSX Venture Exchange policies

and closely align the interests of the employees, directors and consultants with the interests of the shareholders. The aggregate number of Common Shares issuable pursuant to the RSA Plan shall not exceed 200,000 Common Shares and will be subject to the aggregate limits set forth under the Option Plan, such that unvested Common Shares under the RSA Plan will be considered "Common Shares reserved for issuance" under the Option Plan.

Risks

The Compensation Committee reviews compensation policies and practices of the Corporation taking into account any risks associated with these policies and practices. The Compensation Committee has not identified risks associated with the Corporation's compensation policies which could have a material adverse effect on the Corporation.

MONGOLIA GROWTH GROUP LTD. (the "Corporation")

MAJORITY VOTING POLICY

The board of directors of the Corporation (the "**Board**") believes that each director should have the confidence and support of the shareholders of the Corporation (the "**Shareholders**"). To this end, the Board has unanimously adopted this policy and future nominees for election to the Board will be required to confirm that they will abide by the policy.

Forms of proxy for the election of directors will permit a shareholder to vote in favour of, or to withhold from voting, separately for each director nominee. The Chair of the Board will ensure that the number of shares voted in favour or withheld from voting for each director nominee is recorded and promptly made public after the meeting. If the vote was by a show of hands, the Corporation will disclose the number of shares voted by proxy in favour or withheld for each director.

If a director nominee has more votes withheld than are voted in favour of him or her, the nominee will be considered by the Board not to have received the support of the Shareholders, even though duly elected as a matter of corporate law. Such a nominee will be expected to forthwith submit his or her resignation to the Board, effective on acceptance by the Board. The Board will review the resignation and consider all factors deemed relevant including, without limitation, the stated reason or reasons why Shareholders who cast "withhold" votes for the director did so, the qualifications of the director including the impact the director's resignation would have on the Corporation, and whether the director's resignation from the Board would be in the best interest of the Corporation and the Shareholders. Within 90 days of receiving the final voting results, the Board will issue a press release announcing the resignation of the director or explaining the reasons justifying its decision not to accept the resignation.

Subject to any corporate law restrictions, the Board may (1) leave a vacancy in the Board unfilled until the next annual general meeting, (2) fill the vacancy by appointing a new director whom the Board considers to merit the confidence of the Shareholders, or (3) call a special meeting of Shareholders to consider a new Board nominee(s) to fill the vacant position(s). This policy does not apply where an election involves a proxy battle, i.e., where proxy material is circulated in support of one or more nominees who are not part of the director nominees supported by the Board.

AUDIT COMMITTEE

MANDATE AND TERMS OF REFERENCE

Our Audit Committee Charter outlines the specific roles and duties of the Committee's members.

GENERAL FUNCTIONS, AUTHORITY, AND ROLE

The Audit Committee is a Committee of the Board of Directors appointed to assist the Board in monitoring (1) the integrity of the financial statements of the Corporation, (2) compliance by the Corporation with legal and regulatory requirements related to financial reporting, (3) qualifications, independence and performance of the Corporation's independent auditors, and (4) performance of the Corporation's internal controls and financial reporting process.

The Audit Committee has the power to conduct or authorize investigations into any matters within its scope of responsibilities, with full access to all books, records, facilities and personnel of the Corporation, its auditors and its legal advisors. In connection with such investigations or otherwise in the course of fulfilling its responsibilities under this charter, the Audit Committee has the authority to independently retain special legal, accounting, or other consultants to advise it, and may request any officer or employee of the Corporation, its independent legal counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Audit Committee also has the power to create specific sub-committees with all of the investigative powers described above.

The Corporation's independent auditor is ultimately accountable to the Board of Directors and to the Audit Committee; and the Board of Directors and Audit Committee, as representatives of the Corporation's shareholders, have the ultimate authority and responsibility to evaluate the independent auditor, and to nominate annually the independent auditor to be proposed for shareholder approval, and to determine appropriate compensation for the independent auditor. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee must maintain free and open communication between the Corporation's independent auditors, Board of Directors and management. The responsibilities of a member of the Audit Committee are in addition to such member's duties as a member of the Board of Directors.

While the Audit Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete, accurate, and in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor (other than disagreements regarding financial reporting), or to assure compliance with laws and regulations or the Corporation's own policies.
